REQUEST TO WITHDRAW THE NOTICE OF INCOMPLETE REPLY

This application was filed on August 5, 2002. The filed application included an application data sheet and an accompanying fee transmittal authorizing the payment of the filing fee to a specified credit card (see attached). The Patent Office subsequently charged the credit card for the filing fee (see attached, which is a true reproduction of a communication received from our Japanese colleague).

Several years after the payment of the filing fee the Patent Office is now requesting the payment of an additional filing fee. The evidence suggests that the Patent Office has made an error. Accordingly, withdrawal of the Notice of Incomplete Reply is respectfully requested. In addition, the Patent Office should not require an additional filing fee nor an extension of time fee to respond to the erroneously generated Notice of Incomplete Reply.
